Restoring The Honor

Changing hearts and minds.

Heritage Preservation Association "Flagger" joins Neo-Nazi rally in Charlottesville with League of the South...

August 13, 2017

Yesterday, amongst all the Neo-Nazis and Klansmen attending Jason Kessler's Unite The Right rally, which was **marked with the death of an innocent 32 year old woman**, was **George Randall**, wearing the white nationalist **League of the South** patch proudly on his jacket. George was only down as a "Maybe" for the rally, but his wife **Donna** and brother **Gregory** were both down as "Going" before the Unite The Right event page disappeared.

Did you notice that George is also carrying the **LOSer flag**? Here's George with his normal outfit in Danville, Virginia, the **Heritage Preservation Association**.

Maybe you remember that George and Corey Stewart are apparently buds. Yup. You can see bunch of photos of the Randall brothers at one of Corey Stewart's rallies in Richmond, Virginia, earlier this year **here**. Here's what **Corey Stewart said about Charlottesville** earlier. Gotta pander to that base, right Corey? Here's a nice photo of Corey with the Randall brothers:

But here are my favorite photos of George with Susan Hathaway and the Virginia Flaggers.

Susan seems pretty worked up over the events in Charlottesville. Just for the **wrong reasons** apparently.

Keep smiling and laughing it up while you can Susan, because this mess is all coming to Richmond next. We'll see how much "heritage defense" you do then. In the meantime, I've reached out to the Heritage Preservation Association for comment.

Can you confirm if this is a Heritage Preservation Association member?

Does the HPA condemn the white nationalist rally which was marked by the murder of an innocent 32 year old woman yesterday?

Thanks very much,

Mr. Lee,

Yes, your email has reached the the President of the Heritage Preservation Association.

I do not discuss HPA Membership with anyone but HPA Officers.

HPA believes everyone has the right to honor and celebrate their heritage unmolested.

Thank you.
